

Model 56

Series Deluxe POS Cash Drawers

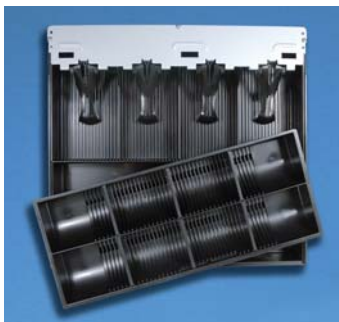

Deluxe Point of Sale Cash Drawers

Ideal for most POS applications, the deluxe SAM4s Model 56 Series POS Cash Drawers are designed to be driven by the POS printer or POS terminal using a standard RJ connection.

The Model 56 features extra storage for coin rolls in the removable coin tray and checks under the tray. Card slips and other media can be inserted into the media slots without opening the cash drawer.

Easily mounts under the counter with optional brackets. Extra inserts and locking lids are available to transfer cash and media when employees begin and end their work shifts.
